Spring
Copenhagen

Gifts that last

Spring Copenhagen is a Danish design company with roots in the Scandinavian design tradition.

We create gifts that last.

The name, Spring Copenhagen, refers to the season where everything grows, the feelings of renewal, and the celebration of budding ideas.

We believe that design and great stories have the power to shape the world we live in, and that every product we create should have a positive impact and inspire to a better everyday living.

Our attention to detail ensures that our products are not only beautiful, poetic, and well-designed gifts for any occasion, but also sparks curiosity and have the potential to become new classics that age gracefully and are passed down through generations. Figurines and living design that are priced affordably so that most people can enjoy them.

Spring Copenhagen's unique portfolio includes design from the 1930s to the present, developed in collaboration with forgotten, famous, unknown, and up-and-coming designers and idea-makers.
