Spring 
Copenhagen

Gifts that last

Spring Copenhagen is a Danish design company with roots in the Scandinavian design tradition.

We create gifts that last.

The name, Spring Copenhagen, refers to the season where everything grows, the feelings of renewal, and the celebration of budding ideas.

We believe that design and great stories have the power to shape the world we live in, and that every product we create should have a positive impact and inspire to a better everyday living.

Our attention to detail ensures that our products are not only beautiful, poetic, and well-designed gifts for any occasion, but also spark curiosity and have the potential to become new classics that age gracefully and are passed down through generations. Design that are priced affordably so that most people can enjoy them.

Spring Copenhagen's unique portfolio includes design from the 1930s to the present, developed in collaboration with forgotten, famous, unknown, and up-and-coming designers and idea-makers.

Wooden figures

Wooden figurines

Our selection of figurines includes recognizable and relatable pets and wild animals as well as more abstract and conceptual figures.

Our goal is to make them cute, poetic, adorable and give them a twist so people smile. All our figurines have unique expressions, pretty shapes and can be used as decoration in homes around the world.

Spring Emotions®

Easy to start
Easy to implement
Easy to communicate
Easy to sell

Spring Emotions® are a series of cute, fun and wonderful wooden figures that pay homage to the well-known emojis.

10 billion+ emojis are sent each day

Everyday life is full of messages, and many of us use funny and expressive emojis when we chat or send text messages to each other. At Spring Copenhagen, we love the little icons that bring text messages to life, which is why we have created a design that does just that.

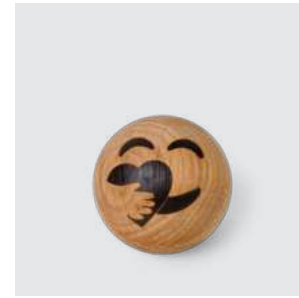

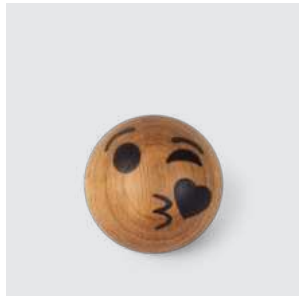

600.000+ sold globally since 2020

Spring Emotions® is a global registered trademark, and an affordable and attractive design product to a broad client base. No global companies offer quality emoji products for home and decoration.
